

HI-TECH BLACK BOX WIFI CAMERA

- ❑ **Perfect as Surveillance in Office and Home**
- ❑ **Wifi remotely control & View**
- ❑ **Point-to-point connection, can work without a network connection**
- ❑ **180° Horizontal rotation lens**

Description

The 1080P HD Pro Black Box WIFI Camera is a highly versatile security camera that can be hidden from view, making it ideal for covert surveillance purposes. It has a compact design that can be easily concealed in any space, and it comes equipped with a 180-degree rotatable lens that can be controlled remotely using a smartphone. The lens is completely invisible, so there's no way anyone will be able to detect it, making it an excellent option for monitoring your home, office, or other areas you want to keep secure.
