

# HI-TECH MINI VOICE RECORDER WIFI

- ☒ Listening device & Voice recorder
- ☒ Simple and easy to use
- ☒ Voice activated alerts sent to app
- ☒ Wi-Fi connectivity via Android or IOS App
- ☒ 3 Recording Modes

## Description

The Wi-Fi Audio Recorder is small & powerful for audio security. It doesn't rely on a SIM card transmission but is based on a Wi-Fi connection. The listening device also has long-life battery that can last up to a maximum of 10 days on standby. This is the ideal device for monitoring audio in your home for long period of time.

The device can save the audio files onto your Micro SD card (available separately). You can also listen in live at any time using your phone, audio recordings can be made anytime using the app on your phone.
