

NECKLACE VOICE RECORDER

- ❑ Can be attached to keychain or necklace
- ❑ High Sensitivity microphone
- ❑ Small and compact

Description

The Necklace Voice Recorder is a unique recording device that stands out from the rest thanks to its advanced features. Firstly, its advanced noise reduction technology filters out background noise to ensure that the recorded audio is clear and of high quality.

Small and elegant design, compact format, can be attached to keychain or necklace.

The Necklace Voice Recorder is incredibly easy to operate. Its rechargeable battery has an impressive life of up to 15hour continuous recording.

The Necklace Voice Recorder is an essential tool for journalists, students, and professionals who need to gather evidence, take notes, or record important conversations discreetly and conveniently.
