

HI-TECH RADIO CLOCK CAM WIFI

- ☒ Night Vision
- ☒ Wireless Speaker
- ☒ Real Alarm Clock
- ☒ Motion Detection
- ☒ FM Radio

Description

WiFi Clock Radio & Bluetooth 960P HD IR Spy Camera is advance in Spy Camera technology, built in Bluetooth technology, which basically means you can wirelessly stream and play music through the clock speakers from your mobile phone. If you have music on your Iphone or Android, interface it with the clock Bluetooth speaker and listen to your music anytime.

Built into the Clock Radio is a WiFi module plus a 960P pinhole camera plus a mini microphone. Live view this camera from your Iphone or Android from anywhere in the world and remotely save or playback motion detected video and audio recordings. Listen is as well.
