- ☒ Support video & audio recording

Description

The HD Pen Camera Full HD V2 combines the look of a normal pen with powerful HD video and audio recording. Compact, lightweight, and easy to carry, it's perfect for everyday use and personal security.

With one-button operation, it captures clear HD video and crisp audio using a built-in high-sensitivity microphone with noise reduction. Ideal for meetings, lectures, interviews, presentations, and discreet recording.

Compatible with most devices for easy file transfer, and equipped with a long-lasting battery for hours of continuous recording.
