

2K PEN CAMERA

- ☒ 2K resolution
- ☒ Support camera, video & audio recording.
- ☒ Undetectable Hidden Lens
- ☒ Simple operation.

Description

The 2K Pen Hidden Camera is a fully functional pen with a discreet hidden lens that records clear 2K HD video at the press of a button.

Sleek and portable, it's ideal for meetings, lectures, and security use. It also includes a pen base stand for stable placement and easy, unnoticed recording.
