

GPS TRACKER ADVANCE

- ☒ Real-time Tracking
- ☒ Geo-Fence
- ☒ Built-in high sensitive GPS & GSM
- ☒ 4G Band Gps
- ☒ Playback Up to 30 days

Description

GPS trackers are essential for reliable asset monitoring. This IP67-rated portable GPS Tracker offers waterproof, dustproof protection and is designed for maximum security and convenience.

Equipped with a strong magnet and long-lasting battery, it easily attaches to metal surfaces, making it ideal for tracking vehicles, trailers, and valuable equipment. Using GPS and base station technology, it delivers accurate real-time tracking via GSM/GPRS. A free mobile app for Android and iOS provides live location updates and access to historical movement data.
